

Test 2 Nested Bullets Issues (Bizagi)

Bizagi Version:

The Nesting Bullets as they appears upon creation in the Expand/Edit Property Value window

Test 2 Nested Bullets Issues (Bizagi)

The Nesting Bullets as they appears upon return to the element's main property description window

Name	Create Task with Nested Bullets
Description	There are several issues that I am encountering. They are as follows: <ul style="list-style-type: none">The first is that the descriptions are not using my default font and must be changed manually (this is a first level bullet)<ul style="list-style-type: none">The default I set for Segoe UI 9pt appears only in the model itself (2nd level bullet)Element descriptions appear in Segoe UI 8pt (2nd level bullet)The second is that a Times New Roman 8pt "ghost" font keeps appearing in my descriptions. (This is a first level bullet)
Formatters	

The Nesting Bullets as they appears after focus has shifted from the element's main property description window and then has been returned to the element's main property description window
